

What's the story?

From the picture to the story

What's their story?

- Where are they?
- Who are they?
- What are they doing?
- How do they feel?

Is this the whole picture?

What's her story?

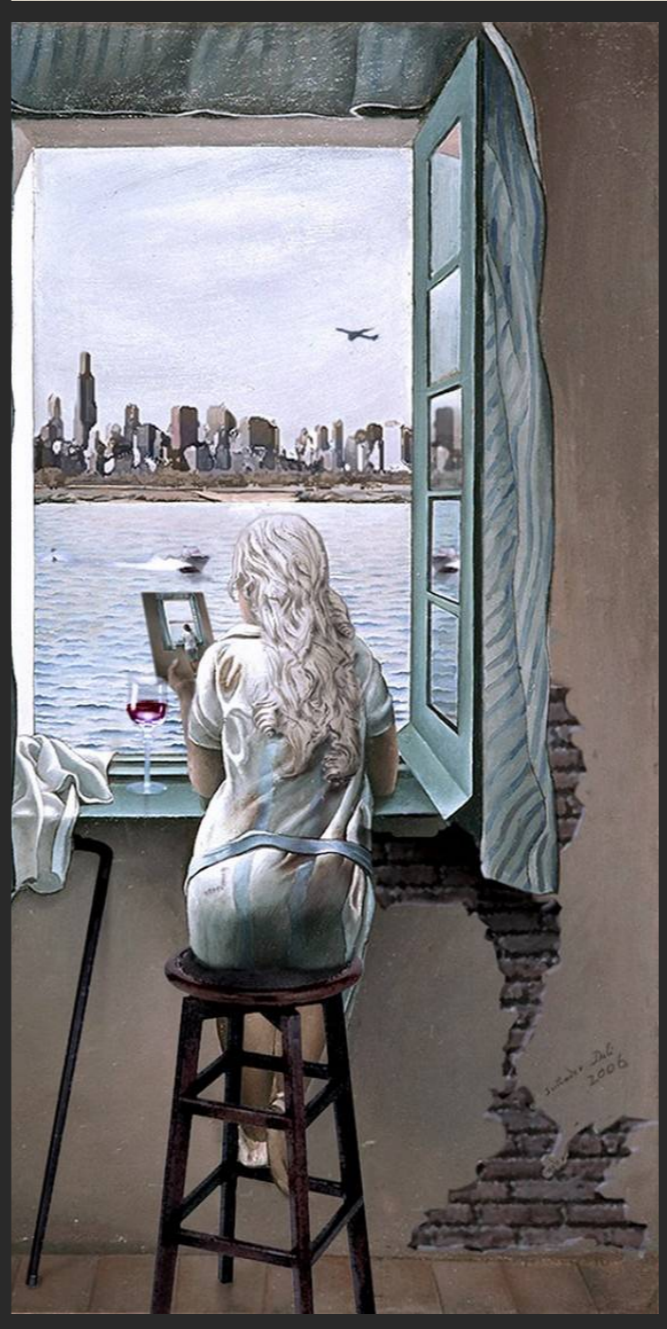

What's she looking at?

What can they see?

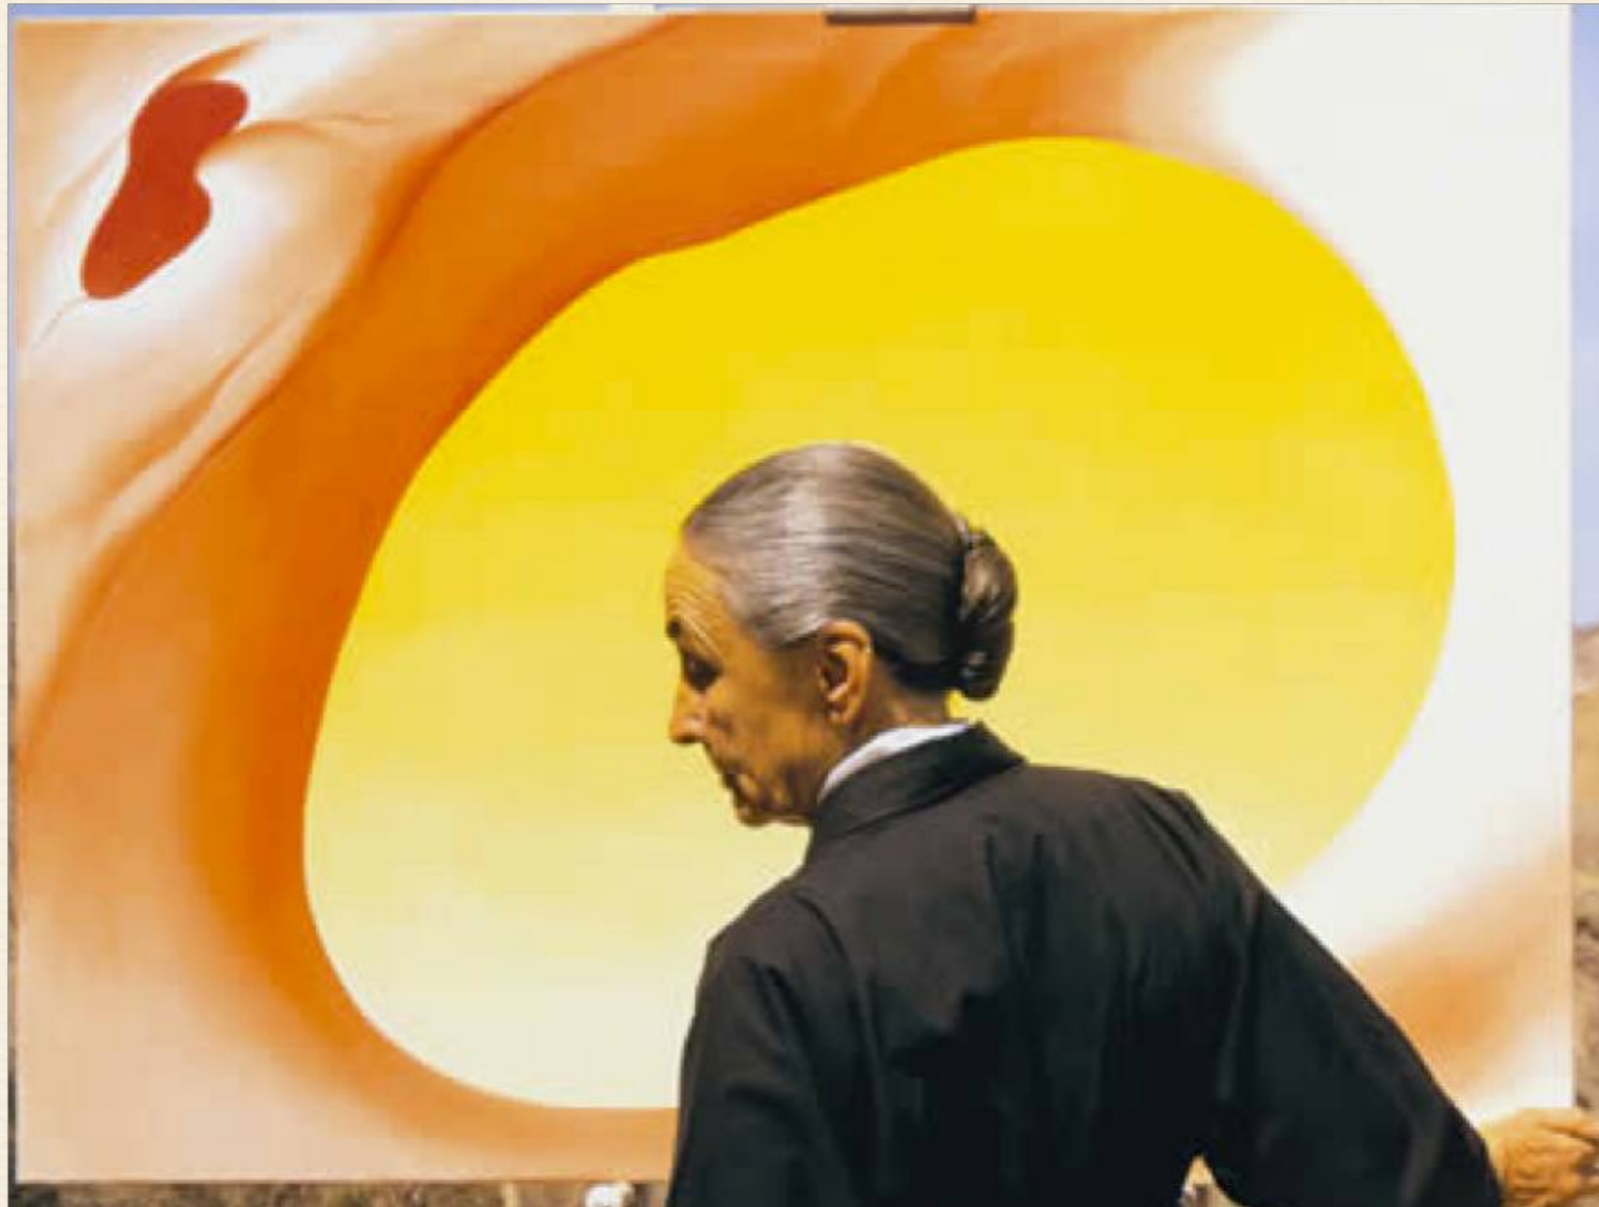

Life goes on...

What's this?

What's she doing?

What's the story?
